

All classes are spending time getting to know each other and are being introduced to Zoo-phonics our alphabet curriculum.

PLAY TEACHES KIDS TO:

- Use their imagination, improvise, think flexibly and explore new options.
- Make appropriate choices from among many possibilities.
- Cooperate with other children to create mutually satisfying projects.
- Work through their feelings in creative, non destructive ways.
- Use something, such as dramatic action, a word or a toy, to represent something else.
- See themselves as competent and interesting people with useful skills and good ideas.

-By Elizabeth Jones, early childhood expert and author of "Work and Family Life".

PARKING LOT SAFETY

Our parking lot is a very busy place.

Please follow these guidelines:

- Enter and Exit the parking lot using extreme caution.
- Watch for children that are unattended.
- Always hold your child's hand when going to and from your vehicle.
- DO NOT** leave children unattended in or **around** vehicles.
- Park **ONLY** in marked spaces.
- Watch for cars backing out.
