THINGS TO BE THANKFUL FOR

- Little fingerprints all over the walls and windows
 - It means we have children to love.
- The mess after a party - it means we have been surrounded by family & friends.
- Piles of laundry - it means we have clothes to wear.
- Bags of groceries to carry from the car - it means we have plenty to eat.
- A huge utility bill - it means we have lights at night and heat when it's cold.
- The alarm that goes off early in the morning - it means we get another day to learn and to love one another as God loves us.
